#### **Michael's Speaking History.**

For 35 years, Michael Bortolotto has delivered motivational and inspiration presentations on moving beyond limiting challenges and prohibiting obstacles by being a positive rebel.

*"Wow! Michael Bortolotto, The Positive Rebel, really puts things in perspective! In these times of overwhelming negativity, stress and tumultuous change, Michael offers a different and positive perspective, and gives us tools to face the challenges of today's world that are inspiring and thought provoking. The result? Less negative distraction, and more focus on dealing with "the world" from a positive point of view. I came away from Michael's presentation refreshed and much better prepared to face change. Thank you Michael."*

#### **Michael's Top 3 Presentations.**

##### **Looking Inside The Positive Rebel! Length: 60 to 75 minutes.**

Michael will motivate and inspire your colleague's how a Positive Rebel's frame of mind can draw them closer to their goals of being successful. But what exactly is a Positive Rebel, this is a person who doesn't tolerate their own negative thoughts, ideas of limitations, pre-conceived false conditioning and fears which are self-imposed. Through the process of being a Positive Rebel, audience members will be able to move beyond those prohibiting challenges, obstacles, barriers, and problems they'll face while pursuing goals and dreams.

##### **The Secret Behind Resiliency Is Adversity And Self-Leadership. Length: 65 to 80 minutes.**

The goal of this motivational-educational presentation is to provide your colleagues's with some tools and techniques to boost their resiliency to succeed at moving beyond any future trials and tribulations caused from Covid-19. Using his own experiences, Michael will teach your fire fighting crew's, how to use adverse challenges caused by Covid-19 and worldly events to build-up their resiliency

##### **It's A Question Of What And How! Length: 60 to 74 Minutes.**

Regardless of age, we're all going to face adverse challenges throughout our lives. How we chose to confront and deal with each challenge, will depend directly on the kinds of questions we manifest from our thoughts. The key to successfully overcoming a challenge is learning and knowing how to ask ourselves positive and constructive questions using proactive words like "What" and "How". As a posed to creating reactive questions using words such as "Why", "When", and "Who" which hold us captive by the challenge(s) we are encountering.
